MISSION

South Bronx Classical Charter School prepares K–5th grade students in the South Bronx to excel in college-preparatory middle schools. Through a classical curriculum and highly structured setting, students will achieve proficiency in and advanced mastery of New York State Performance Standards.

VISION

We believe that by focusing on excellence in every classroom – every day, with every scholar – we will best prepare our scholars for the future.

We believe that a respectful and highly disciplined structure, built on lessons in reading, writing, mathematics and the other core subjects, will best support the learning and success of every scholar.

We believe that by guiding students through a daily curriculum of character education, they will become liberated scholars and citizens of impeccable character who will be future leaders in their community.

VALUES

At South Bronx Classical, every day we guide and encourage scholars to embrace the school’s character education pillars as a tool for achieving personal excellence.

Our values are supported by our Six Pillars of Character

Trustworthiness Respect Responsibility Fairness Caring Citizenship

Non-Negotiables

We believe that there are five non-negotiable rules that parents and scholars must follow in order to ensure their academic success at South Bronx Classical. They are:

- Scholars are in school on time every day and ready to learn.
- Scholars are in a complete and clean uniform every day.
- Parents provide a quiet are for their scholars to complete homework.
- Parents ensure that their scholars get a good night’s sleep.
- Parents support the school they chose!

CODE OF CONDUCT AND DISCIPLINE

PHILOSOPHY

South Bronx Classical is characterized by a culture that is orderly, supportive, and focused on academic excellence and character development. Discipline and order exist in a school when scholars are known and cared for by all of the faculty and staff.

South Bronx Classical has created a contract between the school, the parents/guardians, and the scholars which ensures everyone's commitment to the values and culture of the school.

Our approach to discipline is rooted in the belief that the learning environment is sacred. We will do whatever it takes to make sure that every scholar is safe (physically, mentally, and emotionally), providing every scholar the right to learn without needless interruptions. Our goal is to create a school culture which prepares scholars to become engaged citizens who respect the rules of our communities.

RESPECTFUL ENVIRONMENT

Respect is a core value at South Bronx Classical, and scholars are expected to demonstrate the following elements of respect each day:

Respect for self

- Carrying themselves with a sense of dignity every day – in their behavior, language, and their school uniform dress

Respect for fellow scholars

- Showing support, encouragement, and kindness to all scholars
- Refraining from insulting, teasing, bullying, or physically harming others

Respect for faculty, staff, and all adults

- Listening and following instructions
- Using appropriate language, gestures, and tone of voice in all interactions with adults

Respect for the classroom

- Following the rules of the classroom
- Working hard and dedicating themselves to excellence
- Participating in class activities and completing all homework
- Attending class each day, arriving on time, with all materials necessary for school

Respect for property

- Respecting their personal property and the property of other scholars
- Maintaining their textbooks and other materials
- Caring for school grounds/property and pitching in to keep them clean and neat

Our Dean of Students is responsible for disciplinary concerns. The Dean collaborates with teachers, families and scholars to help create a safe and orderly learning environment. The Dean is given the authority to decide on the appropriate consequences for scholar behavior.

South Bronx Classical Charter School must provide a safe and secure environment from the moment the scholars leaves his/her home to the moment they return where they can focus solely on mastering their skills in reading, writing, math, science and social studies. South Bronx Classical must promise parents that their children are in safe and capable hands throughout the extended day and year that scholars attend the school.

To this end, South Bronx Classical has set forth policies that support our mission, ensure a culture of achievement, and which are consistent with the requirements of due process and with federal laws and regulations governing the placement and disciplining of students with disabilities.

South Bronx Classical has created a Code of Conduct in order to:

- ensure that our school is a respectful space for learning where all feel comfortable,
- allow scholars to focus on their learning, and
- prepare scholars to become engaged citizens who follow rules set by our communities.

The Code of Conduct describes behaviors that the school considers inappropriate or unacceptable (“behavioral infractions”) and the consequences of those behaviors. Scholars who do not to meet the school community’s clearly defined standards for reasonable and acceptable behavior are not permitted to disrupt the education of others. Without a firm and consistent discipline policy, none of what we envision for the school can happen. This is the basis of our student Code of Conduct. It is important to note that since South Bronx Classical will provide a highly structured setting, in which expectations are clearly explained and consistently modeled, we anticipate that such infractions as are described below will be minimal. We believe that scholars rise to the level of behavioral expectations we set for them, and that within a disciplined environment, along with positive and consistent modeling, scholars will behave very well.

BEHAVIORAL INFRACTIONS

The following list of behavioral infractions is not comprehensive; it offers examples of inappropriate or unacceptable behaviors. While we have stated possible consequences for certain behavioral infractions, South Bronx Classical staff has sole discretion to determine the consequence of each behavioral infraction.

A school-related behavioral infraction refers to the violation of this code occurring:

- while the scholar is on school grounds or school-related transportation,
- during school-sponsored activities and trips, and
- during all other school-related events.

Scholars are expected to always respond respectfully to the authority and direction of school staff. Behaviors that are considered disrespectful include but are not limited to: rolling of the eyes, making inappropriate remarks or sounds in response to a request, or questioning a staff person’s action or authority in a disrespectful manner. Such disrespect will not be tolerated.

RESPECTFUL BEHAVIOR

At South Bronx Classical we help our scholars grow into mature young people. To that end, while we will not tolerate disrespect, we do allow for scholars to disagree respectfully with each other and with adults. We have developed routines and procedures that enable scholars to do so.

TRAFFIC LIGHT BEHAVIOR SYSTEM

If a scholar disrupts learning for himself or others, there is a consequence to that behavior. If a scholar commits any of the following minor infractions, the scholar will move down levels on our traffic light behavior system. In addition to moving up and down levels on the traffic light, the scholar may receive additional targeted, corrective consequences and/or lose other school privileges. Behavioral infractions include, but are not limited to:

- Chewing gum
- Being out of uniform
- Bringing a cell phone to school
- Unexcused lateness to school or class
- Poor posture
- Making inappropriate noises or speaking out of turn during class
- Not paying attention or following directions or procedures of the class or school
- Littering
- Not completing in-class assignments or homework
- Other behaviors deemed inappropriate by school staff

DETENTION

If a scholar endangers himself or others physically or verbally, and thus commits any of the following major infractions, the scholar may receive a detention. Behavioral infractions which warrant a detention include, but are not limited to:

- Moving down from green to yellow to red on the traffic light
- Disrespecting a fellow scholar
- Disrespecting faculty, staff, or other member of the school community
- Disrespecting school property
- Deliberately disrupting class
- Engaging in disruptive conduct, or makes other scholars feel uncomfortable/excluded
- Failing to return a signed progress report or report card the day after distribution
- Chronic tardiness

PROCEDURES FOR TRAFFIC LIGHT MOVEMENTS AND DETENTIONS

If a scholar commits an infraction and the consequence called for is any other than suspension or expulsion, staff members are authorized to address the infraction and invoke the consequence according to their professional judgment. The Principal and Dean of Students will be responsible for ensuring through professional development that teachers are modeling positive and appropriate behaviors consistently, and applying the Code of Conduct in a uniform and equitable way.

Teachers will notify school leaders of any significant or repeated discipline concerns and seek support from school leaders in finding ways to modify scholar behavior where needed. If the consequence imposed is not effective, staff members may ask school leaders to intervene. If repeated interventions by school leaders are not effective, parents will be expected to come to school to discuss the issue and design further interventions. The school will reserve the right to insist upon parent involvement in resolving the disruptions before the student will be allowed to return to class.

Detention may be served during lunch, Enrichment, choice time, or with a buddy teacher on day the detention is earned. Such decisions are at the discretion of the teacher and/or Dean of Students. There may be some days when a scholar is required to stay in another classroom for detention.

IN-SCHOOL AND OUT-OF-SCHOOL SUSPENSION

If a scholar endangers the school community, and commits any of the following gross infractions, the scholar may receive an in-school or out-of-school suspension, as determined by the Dean of Students and Principal. Behavioral infractions which warrant a suspension include, but are not limited to:

- Gross disrespect of a fellow student, faculty member, or school transportation provider
- Damaging, destroying, or stealing property or attempting to do so (including graffiti)
- Using or possessing tobacco products
- Cutting school or class or leaving school grounds
- Skipping detention
- Inappropriate sexually or racially motivated conduct
- Using abusive, vulgar or profane language
- Fighting, or any form of harassment or intimidation
- Making verbal or physical threats, empty or otherwise
- Setting off false alarms
- Gambling, forging, plagiarizing, or cheating
- Use of a cell phone, pager, or other electronic communication device during school
- Being charged with a felony

PROCEDURES FOR IN-SCHOOL AND OUT-OF-SCHOOL SUSPENSION

If a scholar commits an infraction that calls for a consequence of short-term suspension (ten days or fewer), such action will be recommended by the Dean and possibly approved by the Principal. In such cases, the school will adhere to the following procedure, consistent with applicable law:

- The scholar shall be informed of the charges against them as well as the evidence of those charges; the scholar will have the opportunity to explain their side of the events.
- The Principal will immediately and personally notify the parent and will call or send written confirmation by personal delivery or mail within 24 hours of the decision to suspend a scholar.
- The parent will have the opportunity to discuss the suspension with the Principal.
- The Principal may require a meeting with the parents before the scholar may return to classes.

EXPULSION

Expulsion is defined as the exclusion from South Bronx Classical on either a long-term or permanent basis at the discretion of the Executive Director or his/her designee. Behavioral infractions that can lead to expulsion include:

- Possessing a dangerous or illegal weapon or anything intended to be used as a weapon including, but not limited to, a knife or a gun
- Possessing a controlled substance including, but not limited to, illegal drugs or alcohol
- Repeated suspensions
- Assault (i.e. threatening assault, hitting, kicking, punching, slapping, pushing) against fellow students or other members of the school community
- Theft or destruction (attempted or actual) of personal or school property, including arson
- Consistent and continuous behavioral infractions as noted above.

PROCEDURES FOR LONG-TERM SUSPENSION OR EXPULSION

Long-term suspension indicates the removal of a scholar from the school building for disciplinary reasons for more than ten days. Expulsion refers to the permanent removal of a student for disciplinary reasons. The following procedures which comply with applicable law are followed:

- The scholar is immediately removed from class/school as needed.
- The scholar is informed of the charges against them as well as the evidence of those charges; where applicable, the scholar has the opportunity to explain their side of the events.
- The Executive Director immediately notifies a guardian of the child in person or on the phone and sends written confirmation by personal delivery or express mail within 24 hours of the decision to suspend or expel, and sets a date for a formal hearing and notifies guardians in writing of the date, time, and place of the hearing, as well as:
 - The charges against the scholar
 - A summary of the supporting evidence
 - Their right to be represented (at their own expense) by an attorney at the hearing, present evidence, and question witnesses.
- The Executive Director will preside at the hearing and makes a decision as to the scholar's status and issues a written decision which is sent to the scholar's guardians, the Board of Trustees, and put in the scholar's permanent file. If the Executive Director finds that long-term suspension or expulsion is indicated, the guardians of the scholar may appeal this decision to the Board of Trustees within ten days of the decision to suspend or expel.
- Such appeal is heard at the discretion of the Chair; in such cases the guardians are once again notified in writing of the of the date, time, and place of the hearing, as well as:
 - The charges against the scholar
 - A summary of the supporting evidence
 - Their right to be represented (at their own expense) by an attorney at the hearing, present evidence, and question witnesses.

PROVISION OF INSTRUCTION DURING REMOVAL

In order to ensure academic progress, alternative instruction is provided to scholars who have been suspended or removed. The method and form of this alternative instruction is determined on a case-by-case basis. In all situations, the method and form is selected with the goal of maximizing the scholar's academic progress. It enables the scholar to master material, complete assignments, and participate in assessments. Instruction commences within two days of a scholar being removed or suspended. In such cases, instruction occurs either: within the school facility, at the scholar's home, or at a contracted facility which is reasonably accessible to the scholar. It occurs either during the school day, before school hours, or after school hours. Instruction is provided by teachers, teaching aides, trained volunteers, and individuals within a contracted facility, or tutors hired for the purpose.

POLICY FOR INFRACTIONS WHICH CONSTITUTE A VIOLATION OF THE LAW

Infractions which are violations of municipal, state, and federal law (such as weapons possessions, assaults, thefts, and possession of controlled substances) are reported to the appropriate law enforcement authorities (e.g., the New York City Police Department).

STUDENT SEARCHES

In order to maintain the security of all its scholars, South Bronx Classical reserves the right to conduct searches of its scholars and their property. If searches are conducted, the school ensures that the privacy of the scholars is respected to the extent possible, and that scholars and their families are informed of the circumstances surrounding and results of the search. School cubbies and desks, which are assigned to scholars for their use, remain the property of South Bronx Classical, and scholars

should, therefore, have no expectation of privacy in these areas. Such areas are subject to searches by school officials at any time.

STUDENT RESTRAINTS

South Bronx Classical maintains a strict Code of Conduct and clear disciplinary procedures. These procedures do not allow for corporal punishment but rather include a clear set of consequences including the traffic light movements, detentions, loss of privileges, suspensions, and expulsions. Corporal punishment of pupils is prohibited. School personnel can use reasonable force as is necessary to protect pupils, other persons, and themselves from an assault by a pupil. When such an assault has occurred, the Executive Director will file a detailed report of such with the board.

DISCIPLINE OF STUDENTS WITH SPECIAL NEEDS

South Bronx Classical will comply with all Federal and State law that provide certain procedural rights and protections relating to discipline of scholars who have been identified under such laws as having special needs based upon a disability.

FIELD TRIPS, COMMUNITY GATHERINGS, AND END-OF-YEAR EVENTS

A scholar may be considered ineligible for a trip or school event for reasons including but not limited to: not returning the school-sponsored trip permission form, involvement in a disciplinary incident on a prior trip, misbehavior in school in the days prior to the trip or event, etc. Scholars who are considered ineligible for attending a trip or event are required to attend school that day.

If parents or other volunteers assist with such trips or events, scholars must afford these chaperones the same respect they would provide to teachers. Appropriate behavior must be maintained when attending school-sponsored events, and riding on school-provided transportation. The use of portable electronic devices is prohibited on field trips except in special circumstances. Past inappropriate behavior, or excessive detentions and/or suspensions, may result in loss of privileges in attending or participating in class trips and events, end-of-year or otherwise.

PROMOTION

South Bronx Classical has rigorous standards for promotion. It is not automatically assumed that scholars will pass from one grade to the next: the scholar must earn promotion by demonstrating mastery of the essential knowledge and skills. Promotion decisions will be based on a scholar's grades, standardized test scores, attendance, and homework completion record.

ATTENDANCE AND LATENESS

South Bronx Classical's attendance policy is based on the belief that we cannot provide the world-class education your scholar deserves if they do not arrive **every day, on time**. We are very strict on attendance because our experience and data show that students with great attendance do well in school, and scholars with poor attendance often do poorly in school. Therefore, the following policy is in place: If your child accumulates 15 unexcused absences (without a Doctor's Note), they are subject to retention. We will call home every day your scholar is absent, and we will send a letter home when the scholar accumulates 5 unexcused absences. At 10 unexcused absences, we will phone home and require you to attend a meeting with the Dean of Students and Principal.

Likewise, lateness is treated **strictly**. All scholars should arrive by 7:45am. However, any scholar entering the school at 8:01am or later is considered "Late". Your child will be given an absence when they accumulate seven (7) Lates.

SCHOOL CALENDAR

South Bronx Classical starts its school year earlier than traditional public schools. Our school year begins **Wednesday, August 19, 2009**. DO NOT START THE YEAR OFF WITH AN ABSENCE. If your scholar is absent from South Bronx Classical for the first five (5) days that school is in session, it will be assumed that he or she has withdrawn from the school, and his or her seat will be relinquished to another scholar from the wait list.

Parents will receive the official 2009 – 2010 South Bronx Classical School Calendar by August 15, 2009.

ACADEMIC PROGRAM

CURRICULUM

English Language Arts

- Language acquisition is phonics-based, rich in grammar and strengthened through a language-rich environment of vocabulary development and reading great books both individually as well as in a carefully crafted guided-reading program. We use the Open Court literacy program, which is proven to raise student literacy levels.
- The language-rich curriculum of a classical education is further supported through the careful study of Latin starting in the third grade, which helps students improve their English grammar, spelling and vocabulary skills, as well as their ability to learn other languages.

Mathematics

- Math is taught using the Saxon Math program, with attention to the key steps of skill and knowledge needed to progress to the next level. Math builds on itself, and a strong foundation in math numeracy is absolutely essential for success in later grades. Students highly skilled in the fundamentals of arithmetic, general numeracy, and pre-algebra will be prepared for demanding middle and secondary schools as well as for college.
- Advanced learning is promoted with the integration of exercises such as classic puzzles and mathematical problems that excite and motivate students to think creatively using new skills.

Science

- Our Science program is hands-on, allowing scholars to learn basic physics, chemistry, and biology through experiments and natural observation, using the FOSS Science Kits.
- The scientific method is discovered by the scholar through repetition, and safety is explicitly taught. Scholars learn the history of science through replicating simple classic experiments.

Social Studies

- History is taught chronologically and across cultures, using the Core Knowledge program developed by E.D. Hirsch. Ancient Egypt, Ancient Greece, the Roman Empire, the Chinese Dynasties, and the African tribal cultures are all part of this curriculum.
- This classical curriculum brings the discoveries and wonders of the globe together, recognizing the rich contributions of all peoples.

Character Education

- Our Character Education program is taught by the Dean and the teacher. The curriculum, Character Counts, is a highly-regarded program used by thousands of students nationwide.

Additionally, all scholars receive instruction in art, music and physical education. These subjects are also incorporated into the core subjects on a regular basis. Third grade scholars receive instruction in Latin. Fourth grade scholars receive instruction in Latin and Debate.

HOMEWORK

Homework is a vital part of a scholar's success. It involves the participation of parent, and strengthens the vital relationship between South Bronx Classical and a scholar's home life. It is designed to reinforce skills taught in the classroom. Scholars are expected to complete meaningful and targeted homework nightly, allowing them to move forward academically each day.

- In Kindergarten and first grade, scholars will be responsible for up to 20 minutes of homework each night.
- In second and third grade, scholars will have 30 to 40 minutes of homework per night.
- In fourth and fifth grade, scholars will have 45 to 60 minutes of homework per night.
- If homework is not completed as assigned and submitted on time, there will be immediate consequences. Scholars not completing homework may lose the opportunity to participate in fitness, art, or music.

INDEPENDENT READING

Research shows that the #1 way to improve a scholar's reading skills is to have them READ, READ, READ. Scholars who read a lot outside of school are the strongest readers and score the highest on reading tests. Supporting your scholar's independent reading at home is the best way to help him or her improve the speed, accuracy, vocabulary and comprehension of his or her reading. It is especially helpful if you ask your scholar to read out loud and stop them occasionally and have the scholar summarize what he or she has just read and to answer simple comprehension questions.

MISSED WORK

After returning from an absence, scholars are expected to complete any missed assignments. The parent must help the scholar check on missed assignments, and any missed work must be completed. In the event of a planned absence, parents should notify teachers two (2) days prior so that they can prepare a Learning Packet for scholars to complete during the absence.

TUTORING AND ENRICHMENT

Because we assess scholars regularly, we know their academic progress well, and are able to identify struggling scholars promptly. We have support systems ready to help them succeed. In order to prevent scholars from falling behind, South Bronx Classical provides mandatory tutoring as a part of its educational program. The ability to quickly identify any difficulties rests in our six-week assessments, which evaluate each scholar's grasp of core skills and content knowledge. These will allow teachers to immediately identify and address any deficiencies in learning. Additionally, this system will allow teachers to identify scholars who require additional enrichment opportunities beyond those of the classroom.

PROGRESS REPORTS AND REPORT CARDS

At South Bronx Classical, we believe that parent(s)/guardian(s) should be notified of their child's progress on a regular basis. Scholars and families receive a Progress Report of the scholar's academic progress three times a year. These are an important means of communication, and can help teachers and families to address any concerns before the end of the marking period. Scholars and families also receive a formal Report Card three times per year; fall, winter, and spring.

Parents are **required** to come to school for the fall and winter report card conferences with their scholar's teachers.

ENGLISH LANGUAGE LEARNERS AND SPECIAL EDUCATION

South Bronx Classical believes that all children, regardless of English Language proficiency or special education needs, can learn and achieve at high levels. Therefore, South Bronx Classical has structured its program to provide resources for special education scholars and to ensure that all scholars with limited English proficiency (ELL) will be proficient readers, writers, and speakers of English by the beginning of the third grade.

South Bronx Classical is equally committed to those scholars with Individualized Education Plans (IEPs). Scholars who are mandated to receive Speech, Occupational Therapy, Physical Therapy, Special Education Teacher Support Services (SETSS), or counseling will receive all services as our Director of Special Services demands.

UNIFORMS

UNIFORMS

South Bronx Classical Charter School is a Uniform School. All scholars MUST be in uniform at all times while at the school.

The uniform is a white button-down shirt (long sleeve or short sleeve), a blue tie, Navy blue dress pants, and black shoes. Girls may wear a Navy blue jumper. Black shoes are mandatory.

BOYS

GIRLS

We recommend that you buy 5 full uniforms. Parents should write the scholar's name on all ties, sweater tags, and even inside the shoes with permanent marker. Doing so will reduce the risk that your scholar loses parts of the mandatory uniform, saving you money. Also, often young children have accidents or vomit during school. To ensure that your scholar does not have to wear soiled clothes,

please bring an extra uniform to your child's classroom teacher (with his or her name on the tag) just in case.

**Uniforms must be purchased from Cookies Department Stores.
Please tell Cookies that your child goes to South Bronx Classical
to ensure the proper uniform.**

FOOD, TRANSPORTATION, AND HEALTH

BREAKFAST AND LUNCH

Breakfast and lunch will be available at South Bronx Classical each day.

- Families must complete lunch forms in September to participate in the school food program.
- In order to create the best learning environment, and enhance the overall health and well being of our scholars, we ask you only send nutritious food and drinks to school. Unhealthy food, including snacks or drinks (colas or juices heavy in sugar) will be thrown out!
- If you choose not to participate in the lunch program, all beverages brought from home must be in plastic bottles or containers.

TRANSPORTATION

Bus transportation is provided through the Department of Education. Please arrive at bus stops 10 minutes early.

- Students who live between ½ mile and 5 miles from the school usually receive transportation.
- Parents will receive a school bus transportation schedule at the beginning of the school year.
- Students may be eligible for Metrocard as well

There will be no bus service for the first week of school (August 19-21). Bus transportation will begin on August 24, 2009.

BUS BEHAVIOR

Bus drivers must focus on the road to ensure that all students arrive to school and home safely. We attempt to have Bus Matrons on each bus in both directions. However, the vast majority of schools do not have such arrangements, and we cannot guarantee that our buses will have Bus Matrons.

- The Code of Conduct applies to riding on the bus and waiting for the bus at bus stops.
- Scholars must remain in their seats, talk quietly, and follow all of the driver's directions.
- Inappropriate conduct on the bus may result in suspension or loss of transportation services.
- If your child is suspended from the bus, you are responsible to obtain transportation.

MEDICAL RECORDS AND HEALTH SERVICES

The school is fortunate to have health services provided by Montefiore Health Center. Parents must complete forms giving the Center permission to administer health care to their child. The Center checks all health records and ensures that each scholar is properly immunized. If your child requires medication during school hours, we will assist by administering medication. However, medication may

not be given without completion of the Administration of Medication Form required by the State. This policy applies to all medicine, including aspirin, Tylenol and other over-the-counter medicines.

STUDENT RECORDS

The Principal will discuss, and make available to the parents any records on file. If parents wish to examine their scholar's record, they should submit a request in writing to the Office Manager. Within 10 days, the parent will be allowed to inspect the file and may request copies. There are two different types of student records, which will be treated differently. Directory Information is basic information about the student such as name, address, telephone number, date of birth, participation in activities, awards received, etc. This information may be made available to others for specific use without the consent of the parent/guardian. Confidential Records include grades, evaluations, disciplinary actions, and health records. Confidential records will not be made available to any non-school personnel without written consent from the parent/guardian. **PLEASE NOTIFY THE MAIN OFFICE OF ANY CHANGES IN YOUR CHILD'S CONTACT INFORMATION FOR THEIR SAFETY.**

BOARD OF DIRECTORS

FAMILY ADVISORY COUNCIL

South Bronx Classical recognizes the immense importance of the parental and familial voice in a scholar's education. To this end, we have begun the Family Advisory Council (FAC).

The primary goal of the FAC is to develop and enhance communication among South Bronx Classical families and the school. The FAC will be a network for parents to obtain relevant information and support in their child's education. Open communication and mutual respect are the foundations of the FAC. South Bronx Classical strongly believes that through the FAC and the activities of the Board of Directors, it can educate parents and the community about its values and work closely with both groups to attain its goals.

The FAC will meet monthly with the Executive Director and/or Principal. Specifically, the FAC will focus on mentoring projects, providing support for extra-curricular and extended classroom projects, school trips, recruitment of volunteers, the Call Back Program (including emergencies or school cancellations), clothing drives, and help with existing school assemblies and community meetings.
